

OT PRE-REFERRAL FORM: INTERVENTION STRATEGIES

'MELTDOWNS," RESISTANCE TO, OR UPSET WITH TRANSITIONS

	Gave, or allowed the child to hold, a transition object of their preference prior to transitions such as a: stuffed animal, koosh ball, or sports water bottle.
	Used a daily picture schedule for each child by his/her desk.
	Gave a warning or countdown prior to transitions such as "we have one minute left or ten seconds and follow that with a count down 9, 8, 7, 6, 5, 4, 3, 2, 1."
	Used a timer for activities.
