

Is it snowing heavily? Are the roads icy? Is school closed or delayed? Rather than call the EI/ECSE Office, please watch KTVZ beginning at 6AM for the latest news. We follow the School District's decisions on closures & delays.

KTVZ also runs a ticker tape on their website listing delays and closures throughout the region:

<https://ktvz.com/weather/>

**EI/ECSE classes follow the School Districts for closures and delays.** If there is a two hour delay for the school district there will be no morning classes and no bussing, but afternoon classes will be at their regular time. Busses will run in the afternoon but may be on snow routes. If the school district cancels school for the entire day, our classes will also be canceled. Roads and sidewalks can be very treacherous when there is snow or ice, so use extreme care when driving, parking and walking.

### *Reminder...bundle up!*

Be sure your kids wear warm coats & clothing to school. Also, please label your child's hats, gloves, coats & backpacks so we can make sure they go home with the right student.

Check backpacks each day to see if there are any new announcements.
