### Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at each of the following locations:

- 2804 SW 6th St, Redmond, OR 97756
- <https://www.hdesd.org/departments/facilities-dept/>

### Testing Certification

The High Desert Education Service District certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

**Testing Results**

- The High Desert Education Service District is current with all required testing as of the date of this document. Test results can be found on The High Desert Education Service District’s website at <https://www.hdesd.org/departments/facilities-dept/>

The High Desert Education Service District will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact [stacy.kelley@hdesd.org](mailto:stacy.kelley@hdesd.org) to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: <https://www.hdesd.org/departments/facilities-dept/>
- Radon: <https://www.hdesd.org/departments/facilities-dept/>

**Website Link Maintenance**

The High Desert Education Service District certifies that all website links for plan information and test results are current and functional.

**Major Exposure Reduction Activities**

The High Desert Education Service District did not conduct any Major Exposure Reduction Activities during the past year.

**Radon Testing Summary (Optional)**

The High Desert Education Service District last conducted radon testing in 2018. Results can be found at <https://www.hdesd.org/departments/facilities-dept/>

**I certify that the above information is true and accurate to the best of my knowledge.**
