

Special Education - Personnel

Consistent with Teacher Standards and Practices Commission (TSPC) requirements, the High Desert Education Service District (HDESD) personnel are appropriately and adequately prepared to implement special education and related services and have the content knowledge and skills to serve children/students with disabilities.

The HDESD takes measurable steps to recruit, hire, train and retain personnel, who are appropriately licensed by TSPC, to provide special education and related services to children/students with disabilities.

The HDESD's plan for providing personnel development programs in the district is found in Board policy GCL - Staff Development.
