

## Funding Proposals and Applications

The district shall pursue federal, state or private grants or other such funds that will assist the district in meeting adopted Board and district goals.

The superintendent is authorized to use their judgment in approving grant proposals for submission. The superintendent will review grants with the Board at a future meeting. The Board reserves the right to reject funds associated with any grant which has been approved.

The Superintendent shall, before an acceptance of such funds, consider the district's obligations, expectations or encumbrances when the grant ceases.
