As required by ORS 339.035, I am providing information to High Desert Education Service District (ESD) stating my intent to home school the above-named child. I understand that this notice must be filed with the ESD within ten calendar days of withdrawing the above-named child from school, and that this information will be provided to the resident school and district by the ESD. I understand that the above-named child needs to complete standardized achievement testing at applicable dates per ORS 339.035, and that the ESD may request test results from homeschooled students. I understand that homeschool guardians have the full responsibility for their student's education, including all curriculum choices and record keeping. The ESD is not able to provide curriculum, books or materials, and is not involved in the direct education of homeschool students. The ESD is not involved in reviewing, approving, or monitoring a homeschool student's education, beyond receiving required test results. No credits, transcript or diplomas are issued by the ESD for homeschool students.
